

model02-ch-3gev
Longitudinal profile of vertical field

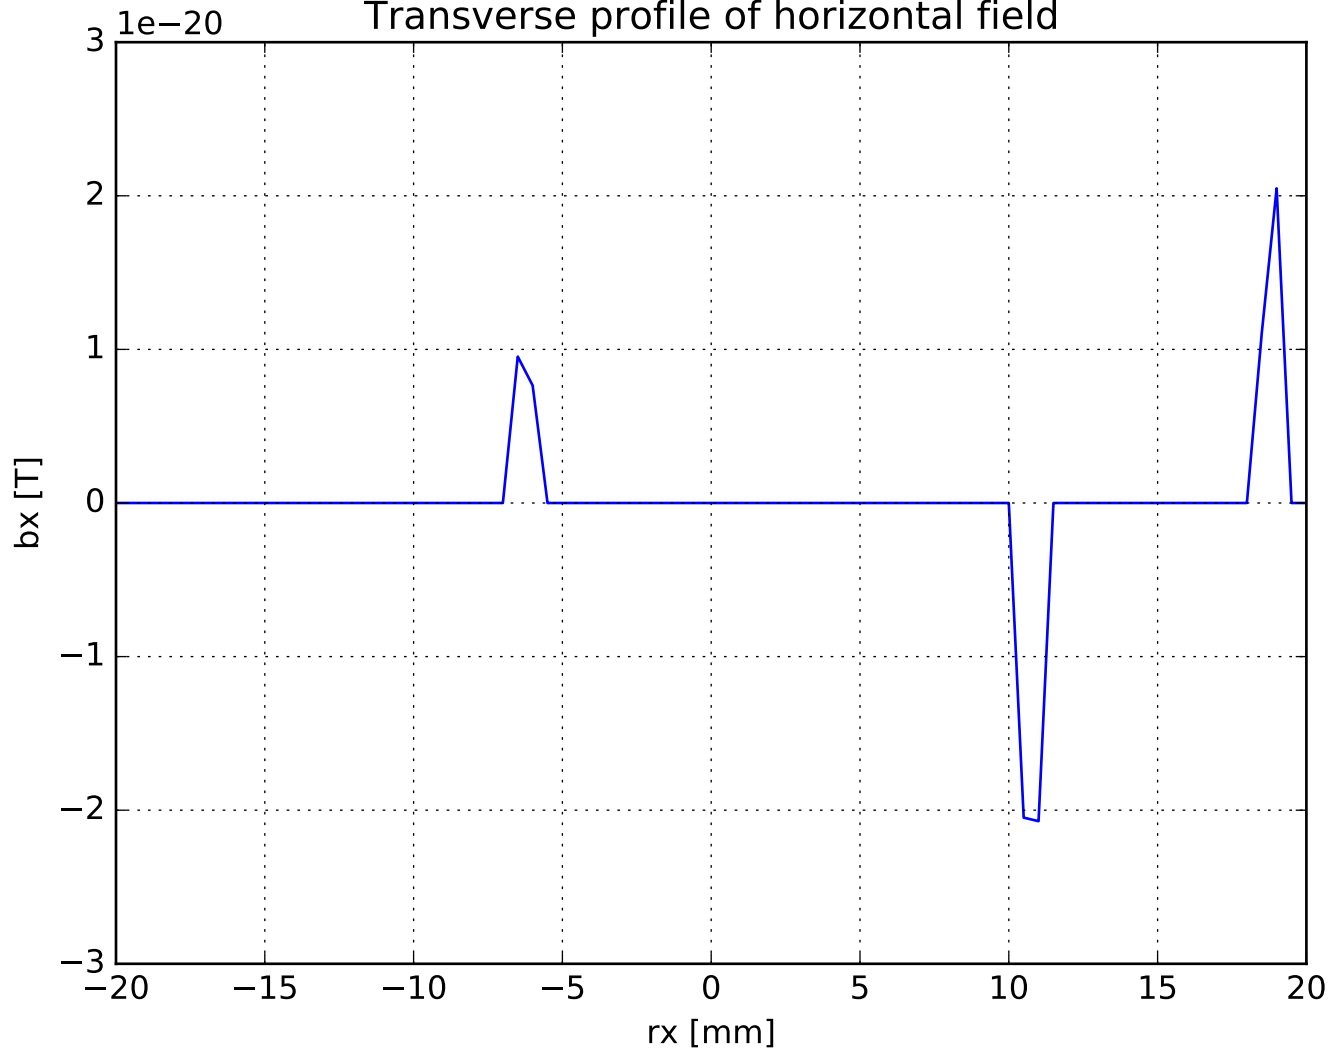

model02-ch-3gev
Longitudinal profile of horizontal field

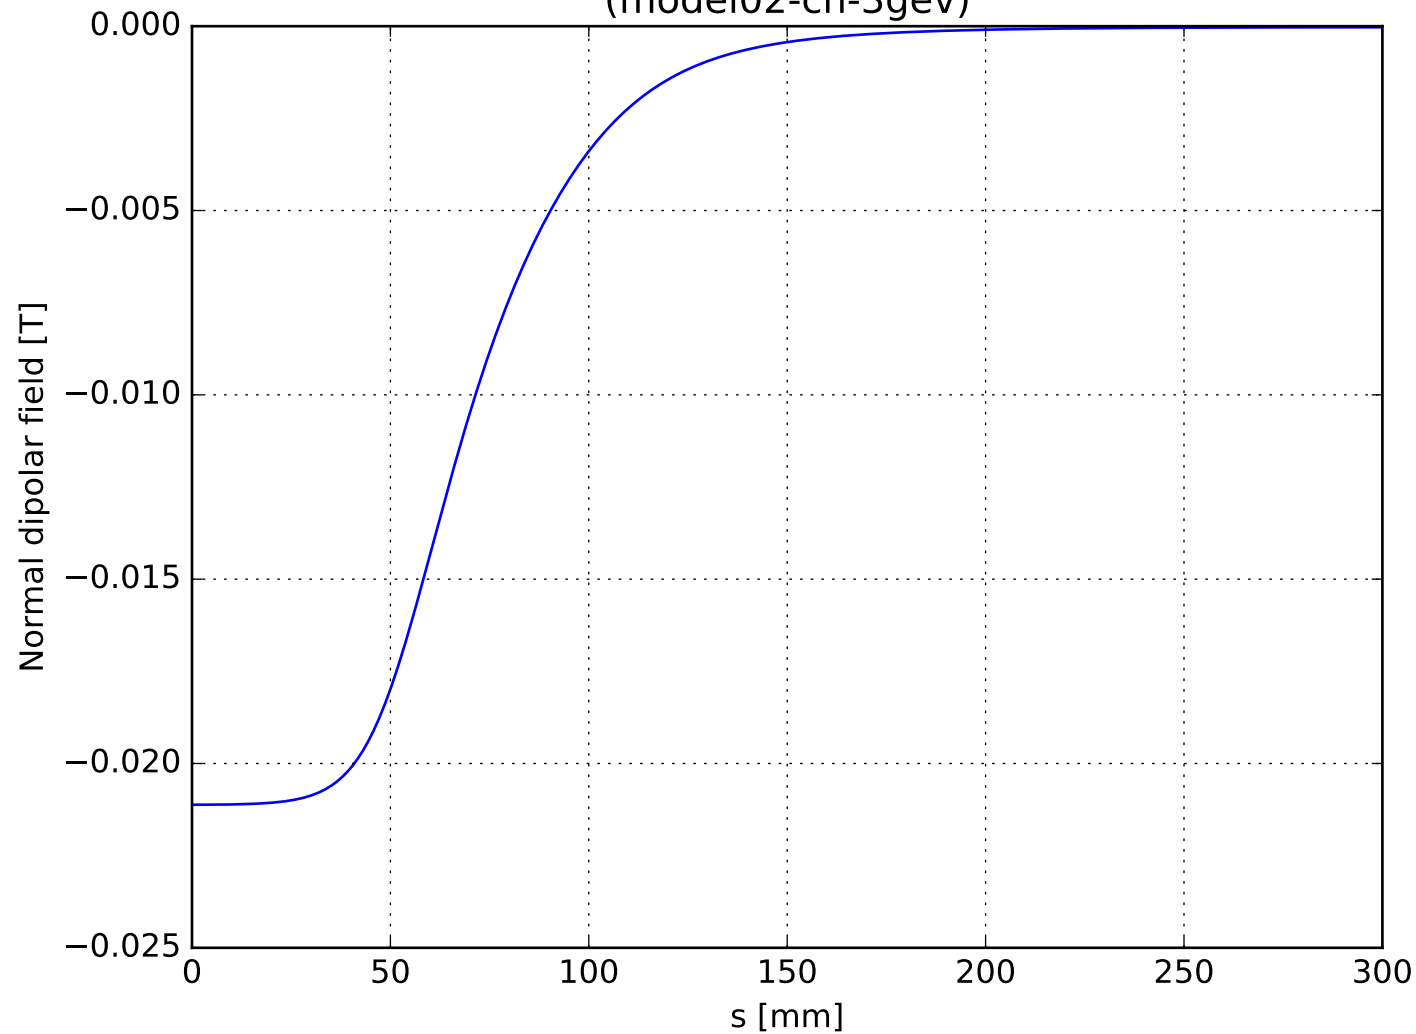

model02-ch-3gev
Transverse profile of vertical field

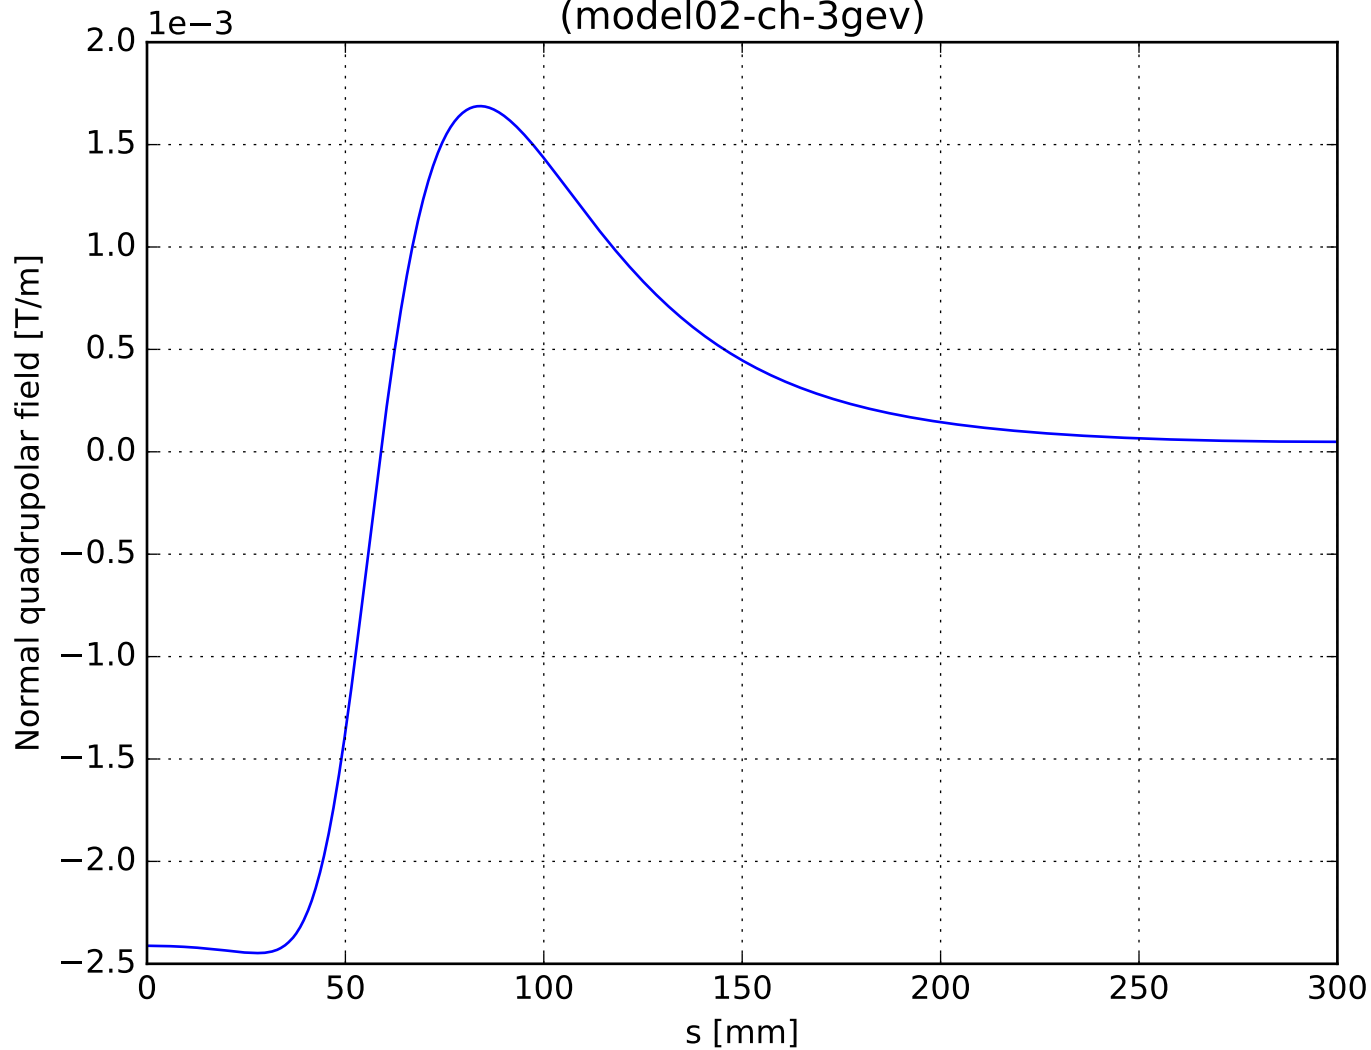

model02-ch-3gev
Transverse profile of horizontal field

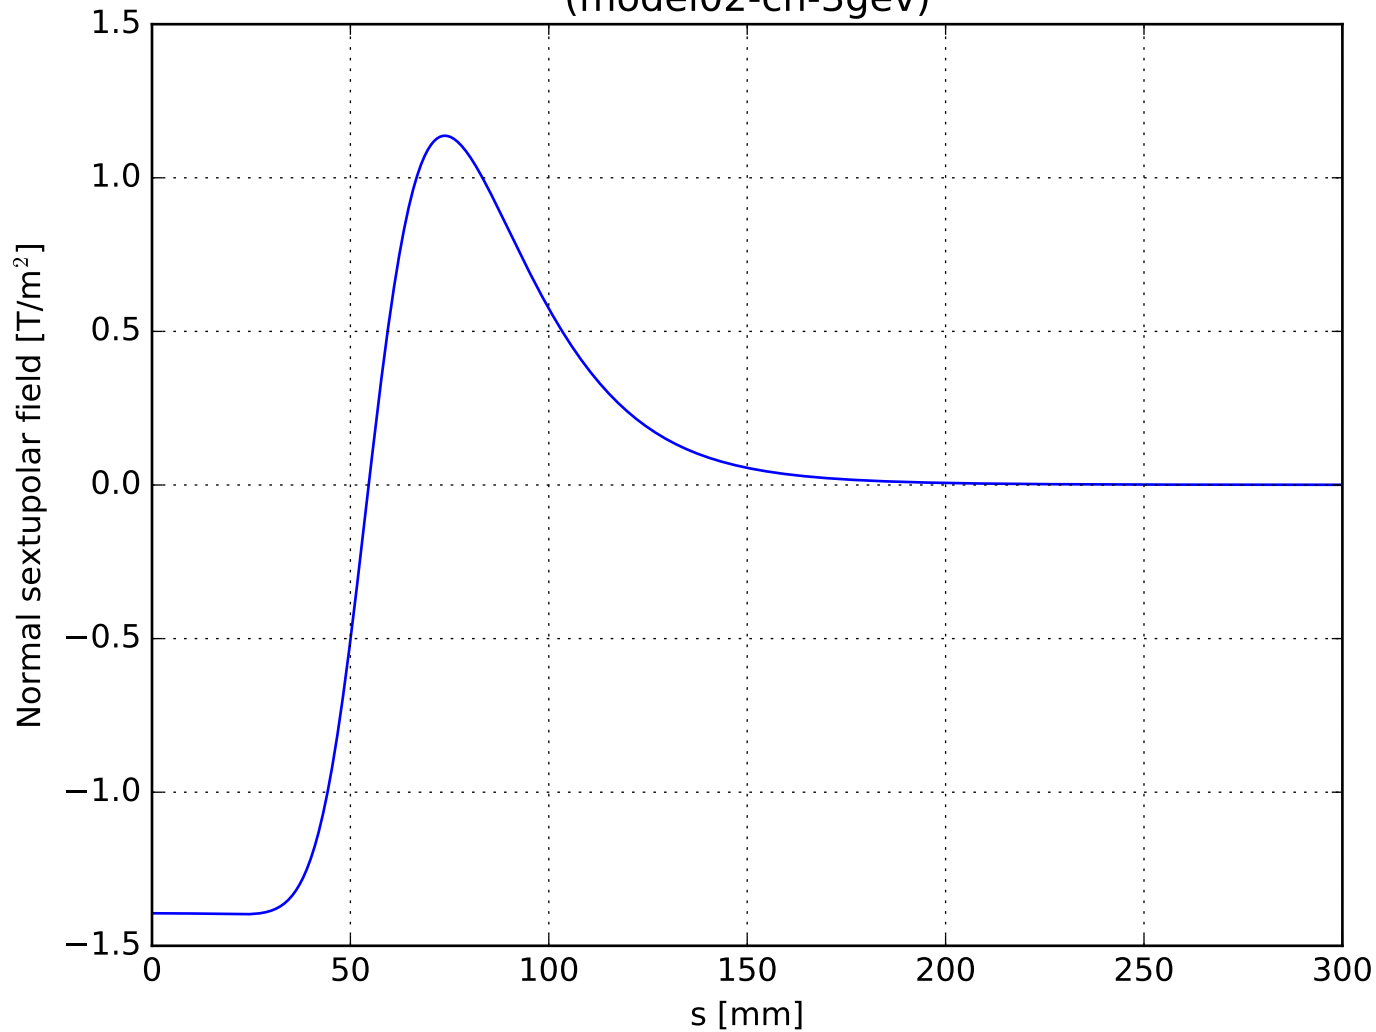

Normal dipolar field along trajectory
(model02-ch-3gev)

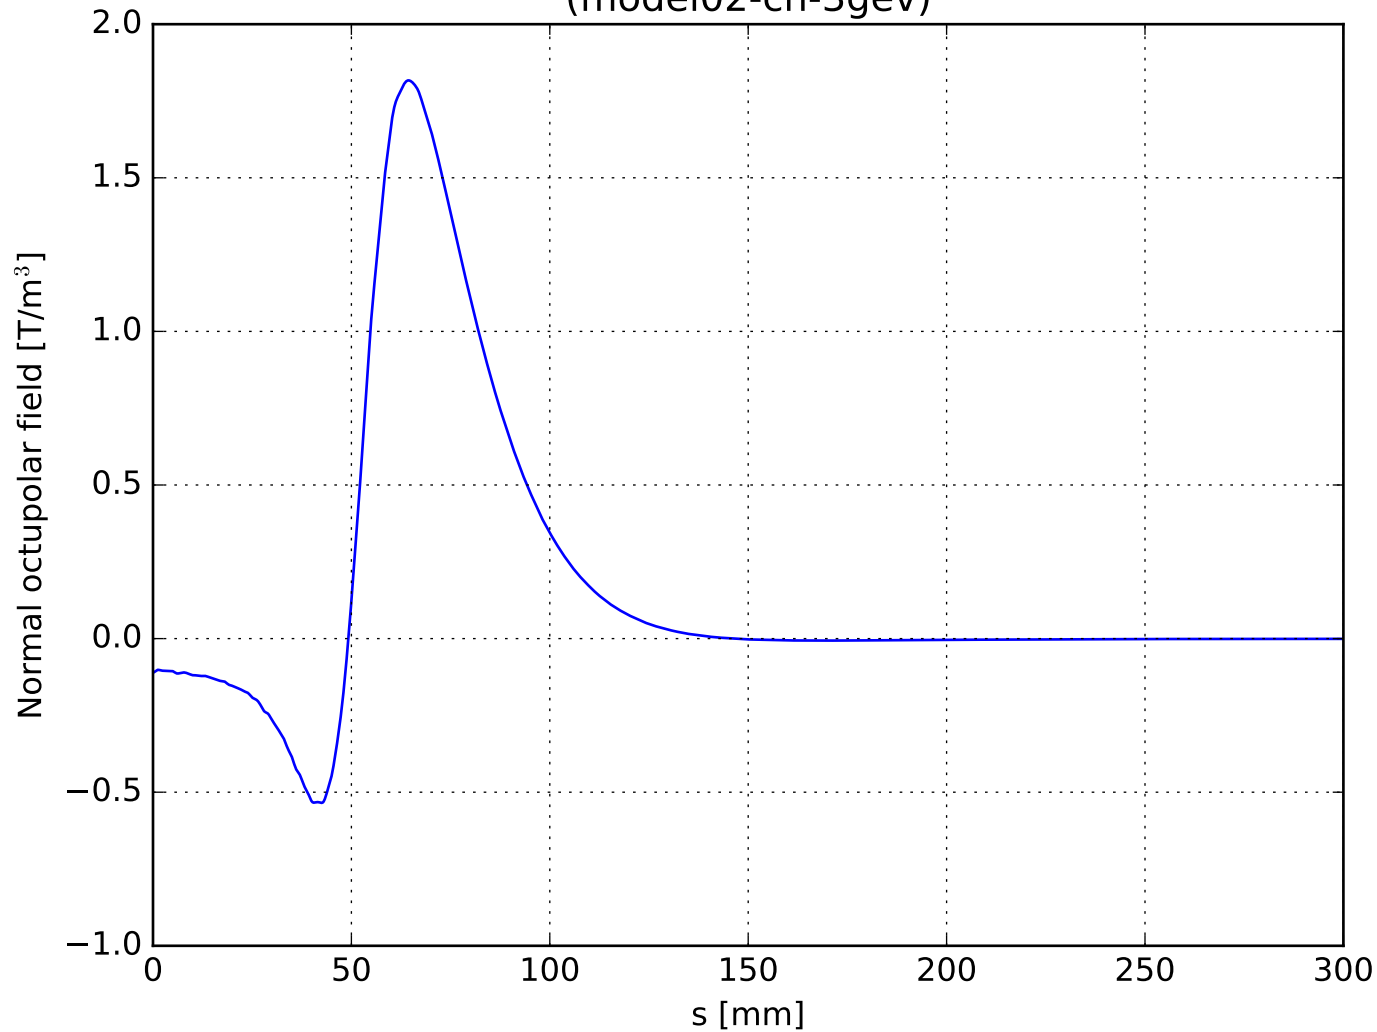

Normal quadrupolar field along trajectory
(model02-ch-3gev)

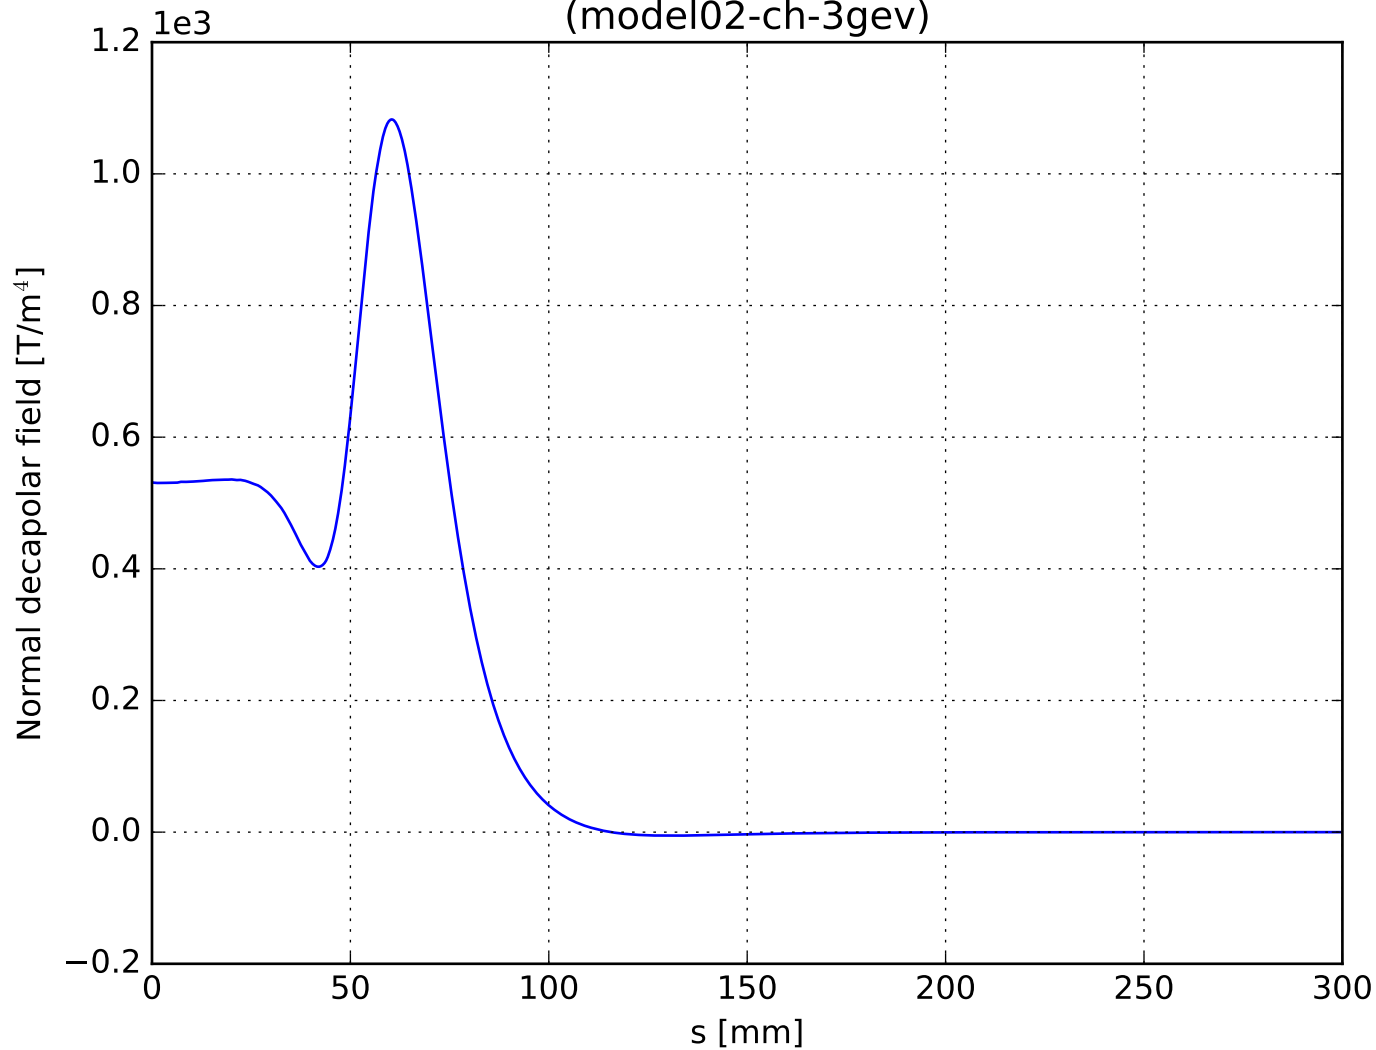

Normal sextupolar field along trajectory
(model02-ch-3gev)

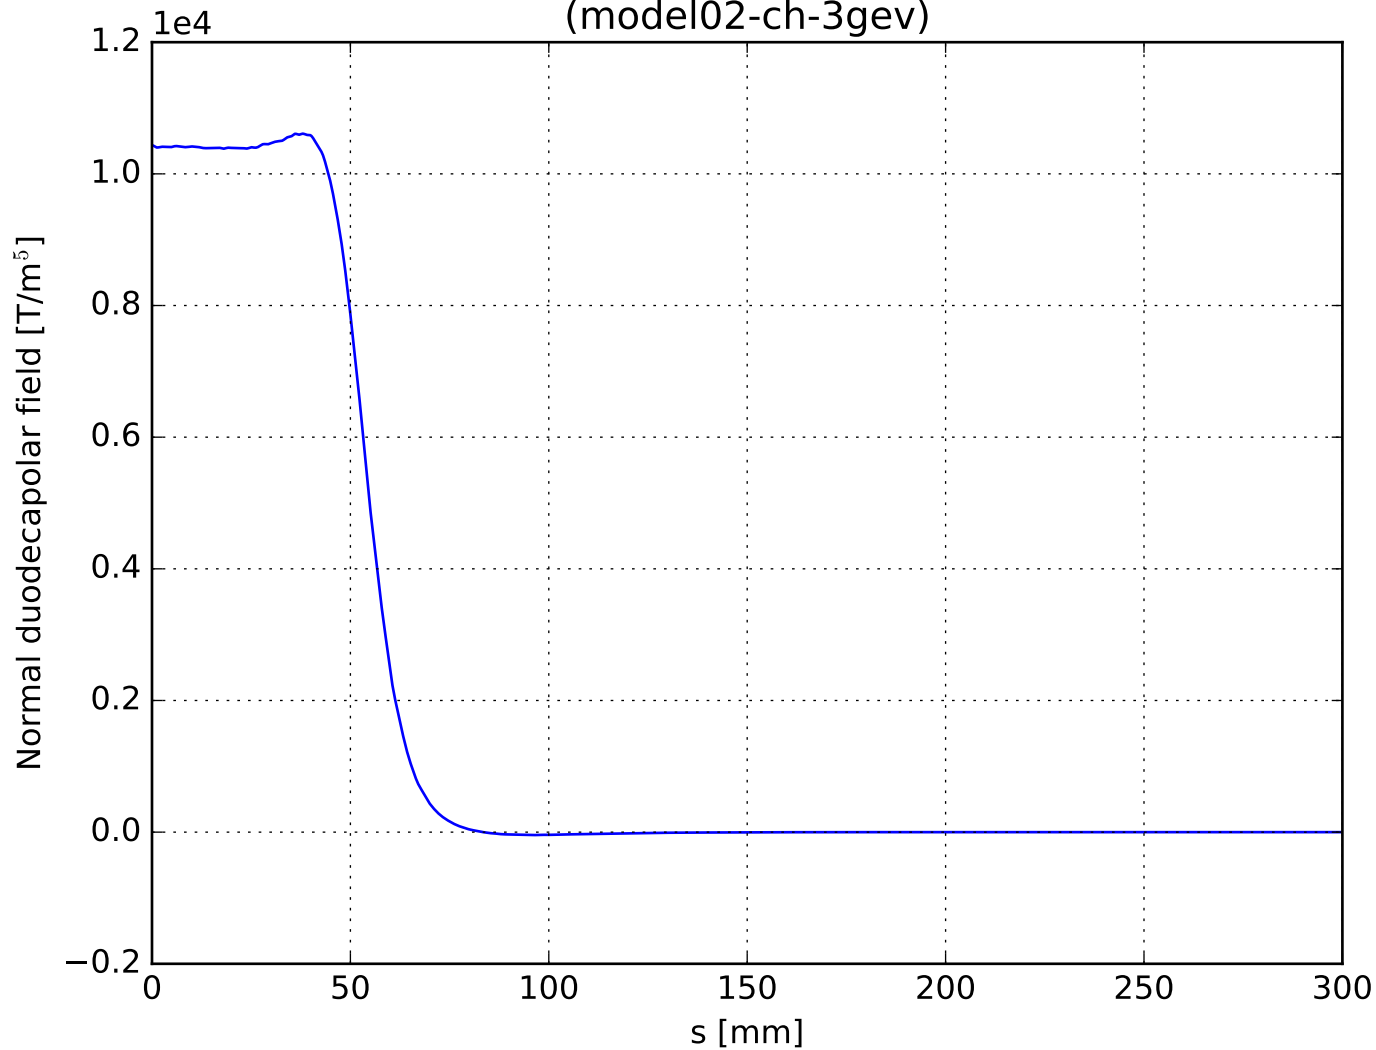

Normal octupolar field along trajectory
(model02-ch-3gev)

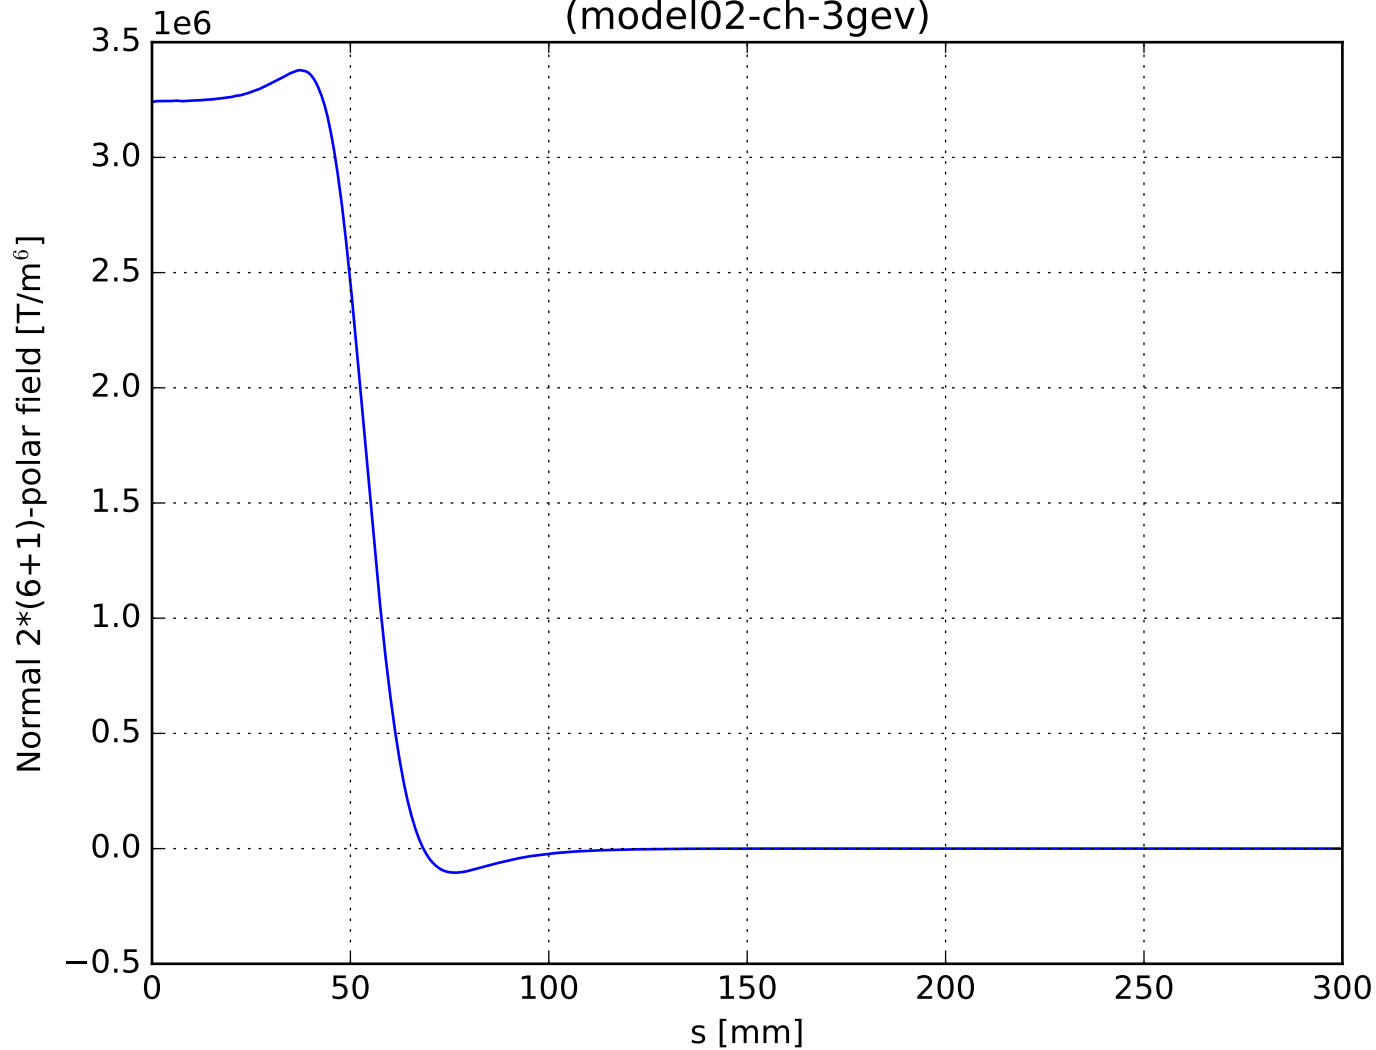

Normal decapolar field along trajectory
(model02-ch-3gev)

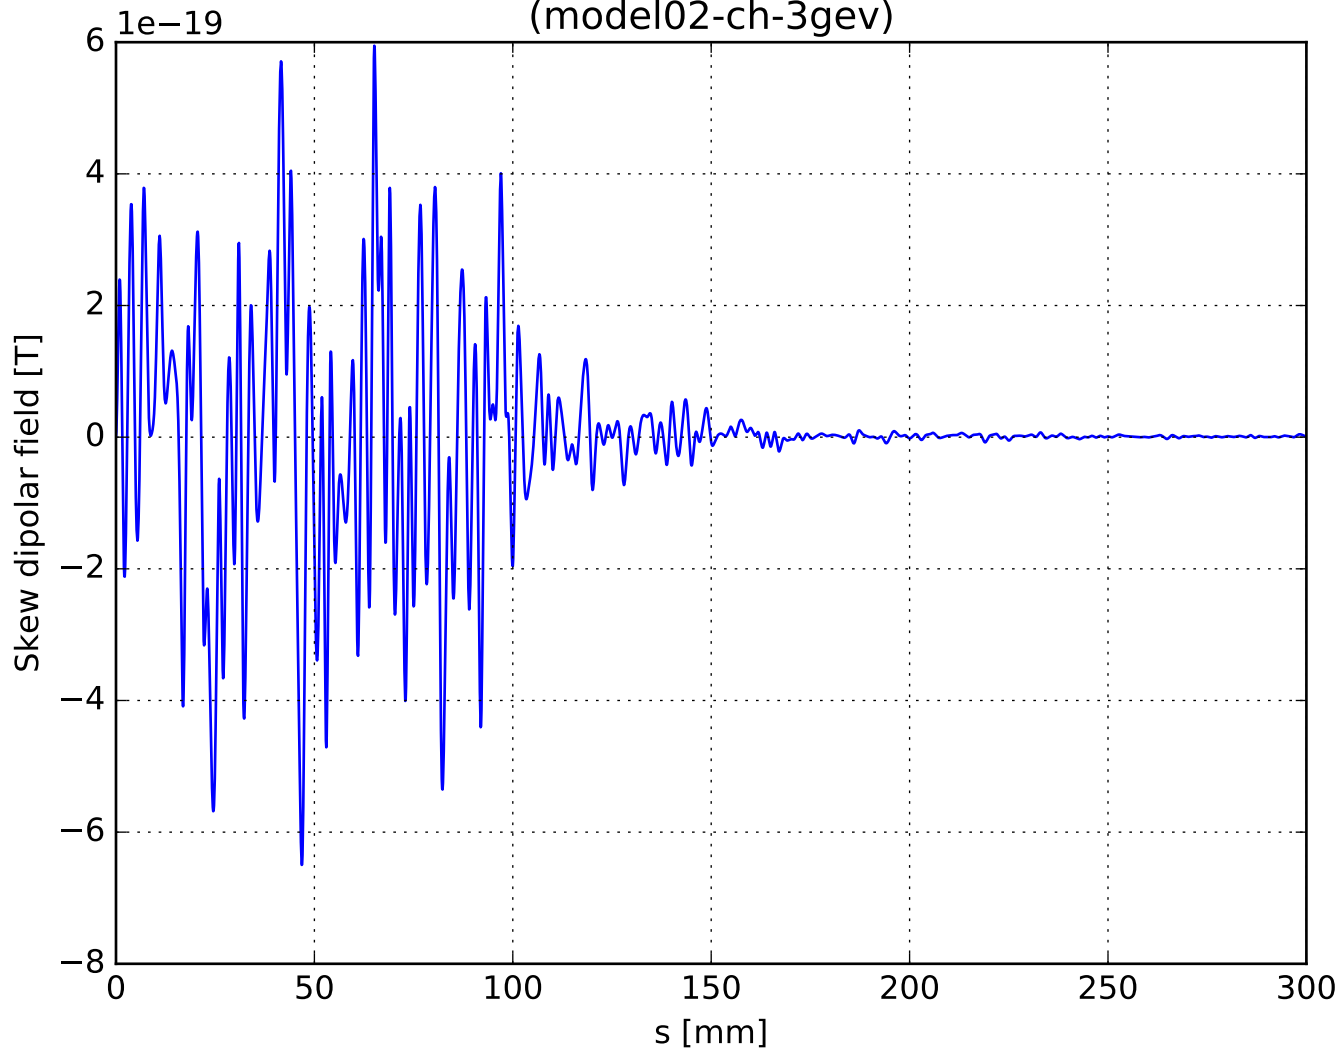

Normal duodecapolar field along trajectory
(model02-ch-3gev)

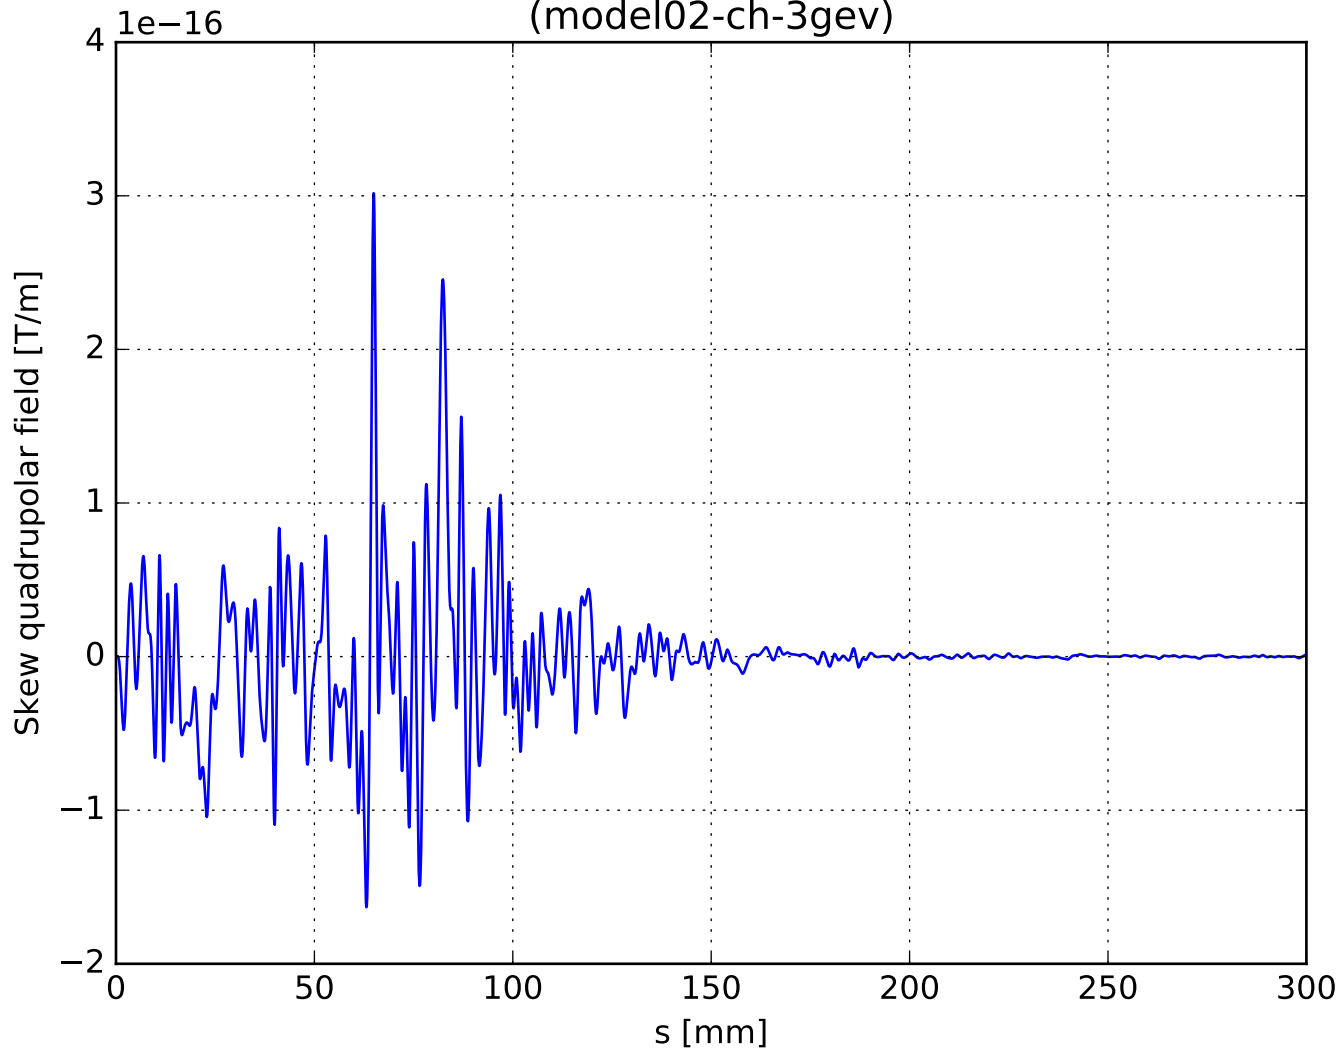

Normal $2*(6+1)$ -polar field along trajectory
(model02-ch-3gev)

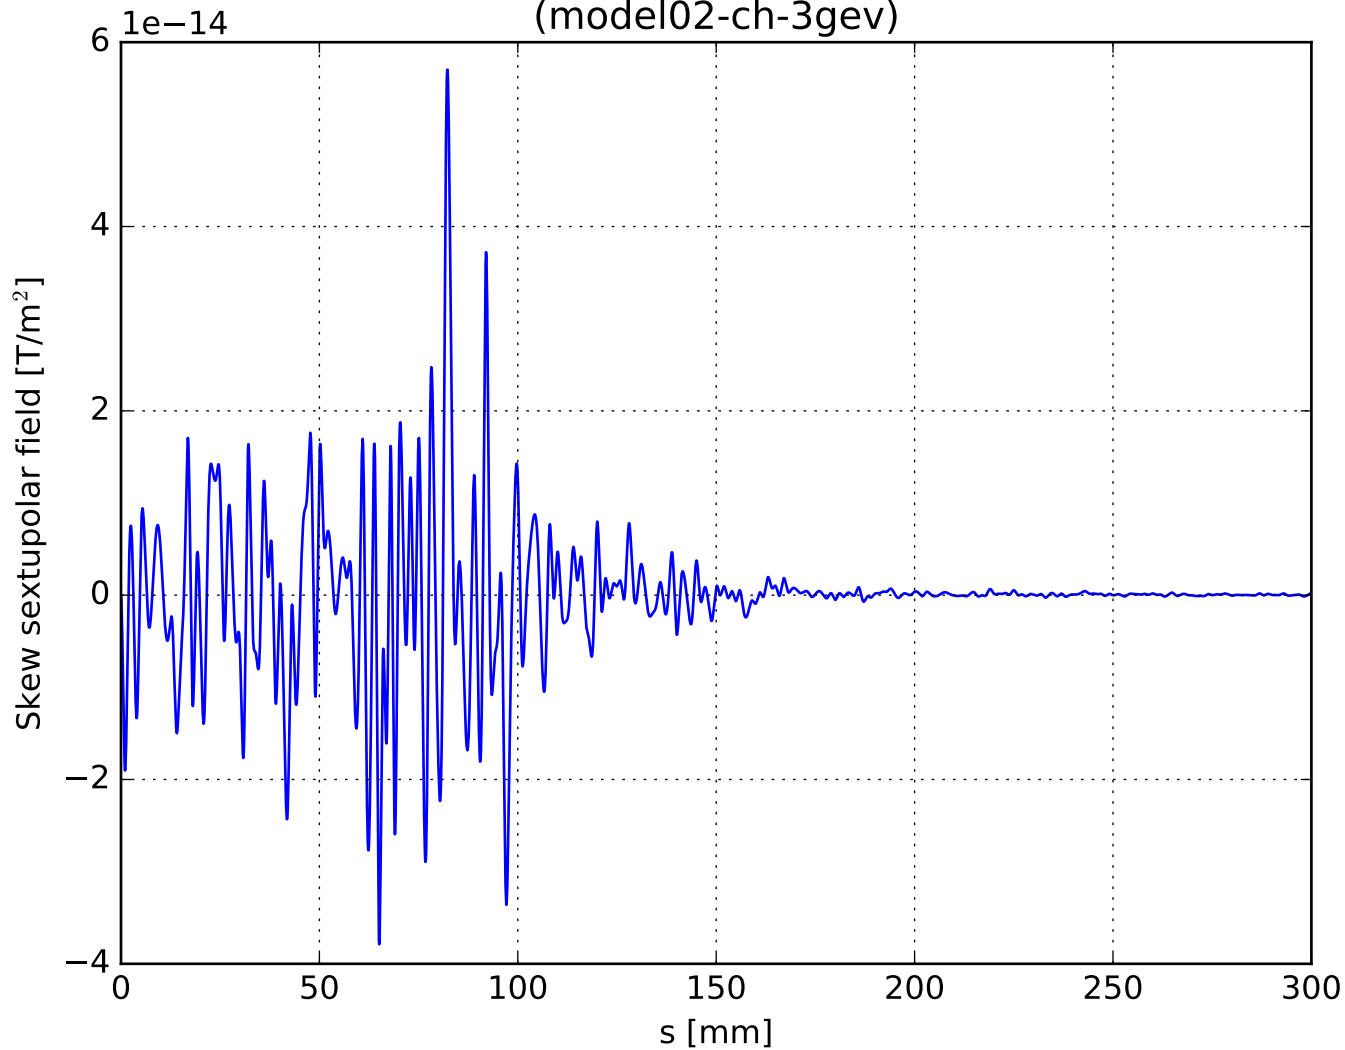

Skew dipolar field along trajectory
(model02-ch-3gev)

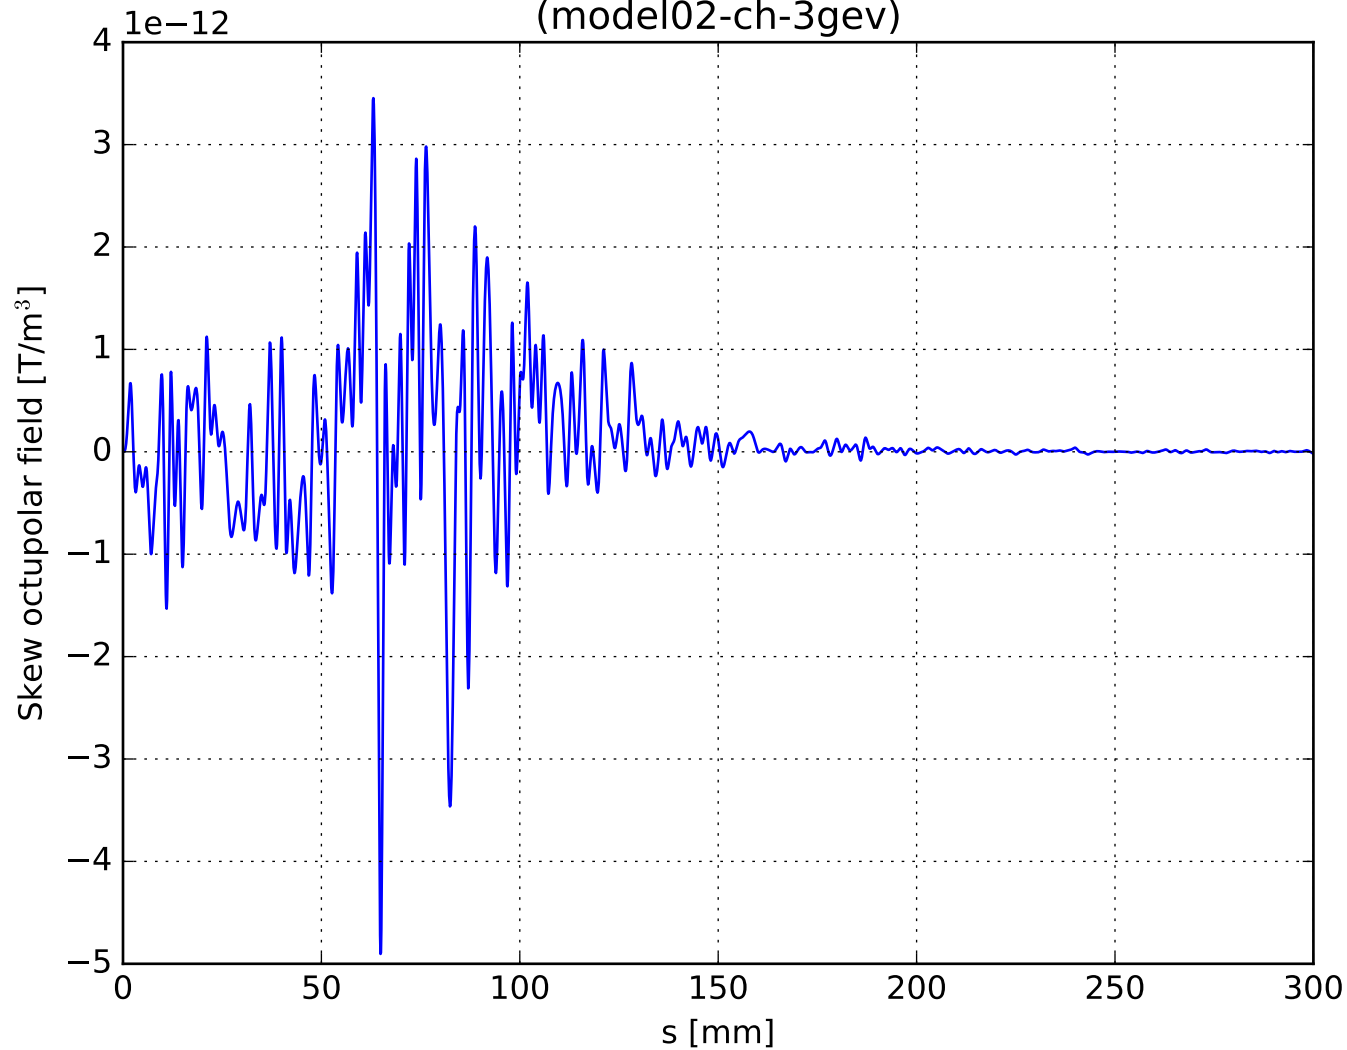

Skew quadrupolar field along trajectory
(model02-ch-3gev)

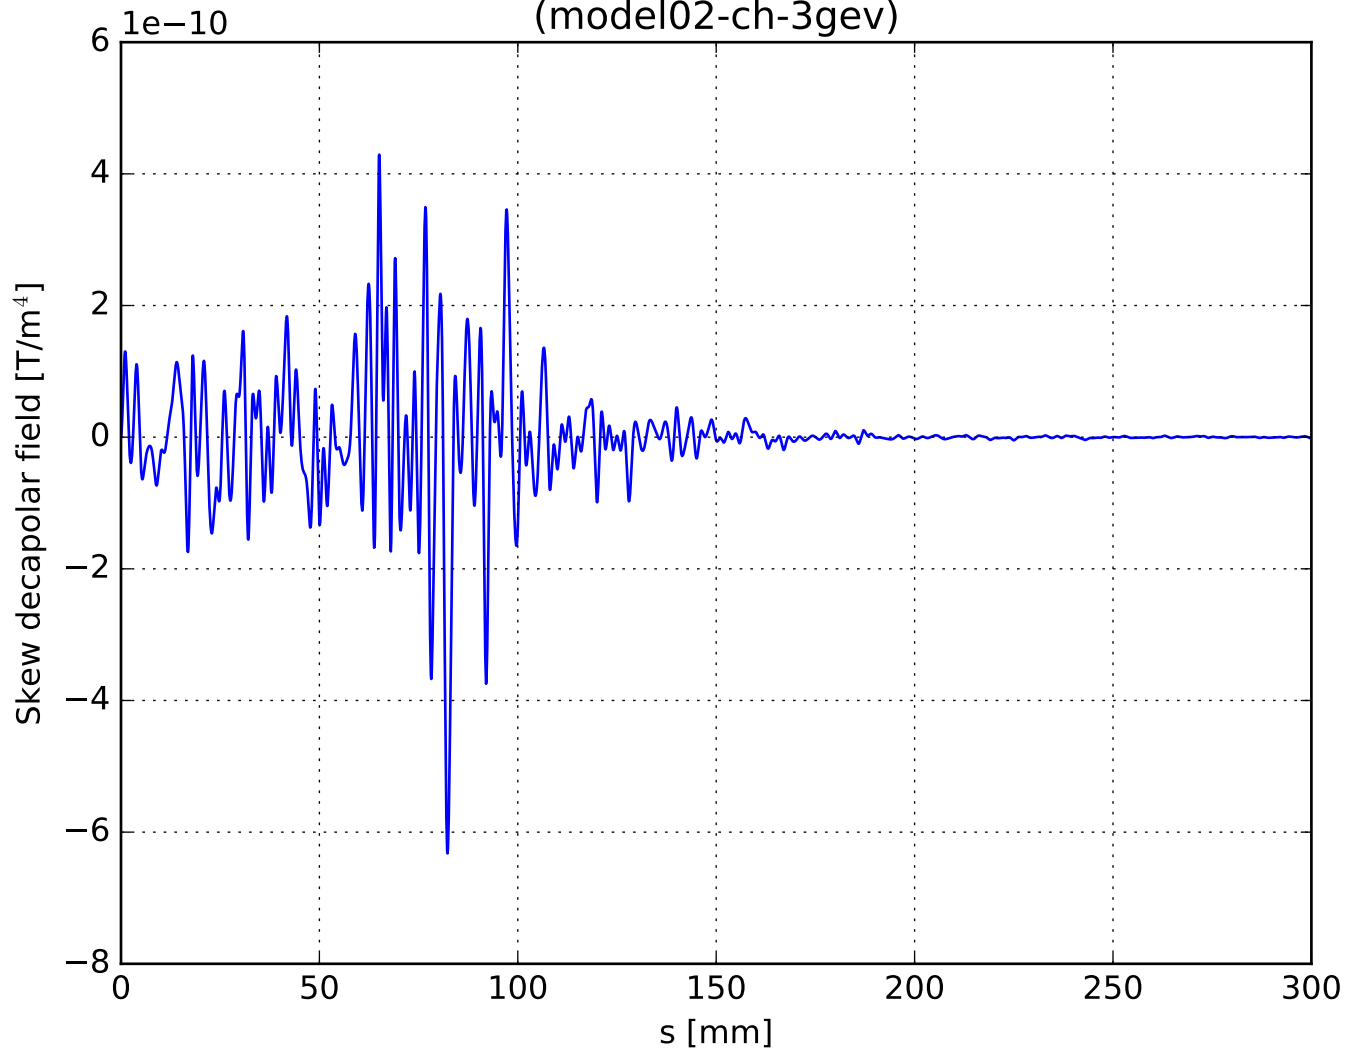

Skew sextupolar field along trajectory
(model02-ch-3gev)

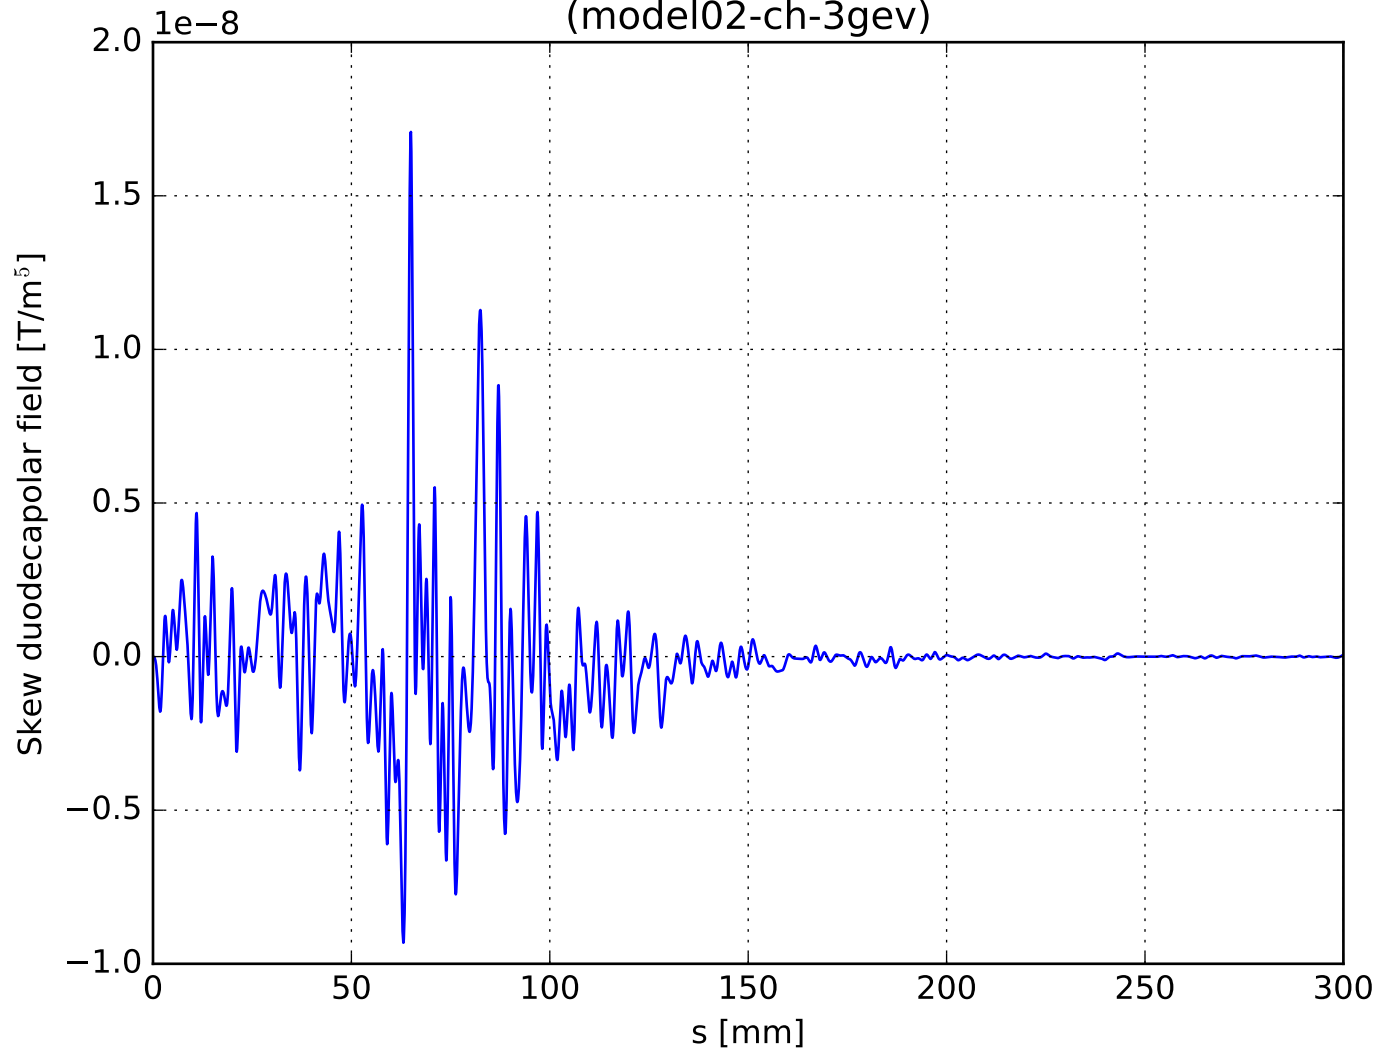

Skew octupolar field along trajectory
(model02-ch-3gev)

Skew decapolar field along trajectory
(model02-ch-3gev)

Skew duodecapolar field along trajectory
(model02-ch-3gev)

Skew $2*(6+1)$ -polar field along trajectory
(model02-ch-3gev)
